

FAINTING AND DIZZY SPELLS

The Cause of such Symptoms and Remedy Told in This Letter.

Syracuse, N. Y.—"When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and the Liver Pills which I saw advertised in the papers and in your little books. I took about twelve bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can."

Mrs. R. E. DEXING, 437 W. Lafayette Ave., Syracuse, N. Y.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Moreover this reliable remedy contains no narcotics or harmful drugs and owes its efficiency to the medicinal extracts of the native roots and herbs which it contains.

WITNESS AFTER WITNESS IN PARIS

Such Evidence Our Readers Cannot Dispute

As we take up THE NEWS week by week, we are struck by the hearty, unmistakable way in which witness after witness speaks out as Mr. Rankin does here. If these people were strangers living miles away, we might take little notice of them. But they are not. They are our neighbors, living among us. Their word is too easily proven to admit of any doubt. They speak out in the hope that their experience may be a guide to others.

Floyd H. Rankin, grocer, Lileston avenue and Lucas street, says: "I have used Doan's Kidney Pills off and on for years and have been greatly benefited by them. At times I have suffered severely with kidney complaint. My back often pained and was lame most all the time. The kidney secretions were too frequent in passage and greatly annoyed me. Whenever I have been this way, I have always found that a box of Doan's Kidney Pills has never failed to cure me of the attack in short order."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rankin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

POTATO CROP IN BOURBON GOOD ONE.

Bourbon county's potato crop this year must be a bountiful one to judge by the way the tubers are coming to the local market. This is an indication that most of the producers are anxious to dispose of their crop at the present time and prices.

The quality as well as the quantity is good, and, unless there is much shipping out of the city, it is said there will not be much danger of a potato shortage here this winter. A larger acreage than usual has been devoted to raising potatoes this year, the result being a much larger production. The supply is keeping up with the demand.

SHAKEN UP IN NEAR-COLLISION

A severe shaking up and slight injuries were sustained Wednesday by a party of young men in an auto on Twelfth, near Main. The boys were driving on Main street when a machine backed out of Twelfth into Main. In trying to avoid a collision their machine swerved to the sidewalk and was overturned.

R. P. Link, of Paris, an enlisted man in the U. S. Navy, at home on a furlough, was thrown through the windshield, sustaining cuts and bruises about the head, face and hands. The other occupants of the car, Harry Craft, Wm. Link and Walter Link, escaped with a severe shaking up. The other car was occupied by three women. Link was taken to a physician's office, where his injuries received attention. The machine was uninjured.
